

W.I.S.H. review.

THE W.I.S.H. REVIEW PROCESS IS A WAY TO ANALYSE YOUR BUSINESS ROLE OR PERSONAL LIFE IN SUCH A WAY TO GIVE YOU A REALISTIC VIEW OF WHERE YOU'RE AT IN THOSE AREAS NOW.

| | |
|-----------------|---|
| WELL | Looking at what you do WELL in your business. |
| IMPROVE | Looking at what needs to be IMPROVED in your business. |
| STRATEGY | What STRATEGY do you need to develop to improve your business. |
| HOW | Now you have a strategy, HOW are you going to implement it in your business. |

What do you do really **WELL** which directly affects your results and achievements?

What needs **IMPROVING** for you to realise your potential in your role and maximise your performance?

Now that you have listed down what needs improving—what **STRATEGY** do you need to take to ensure that these areas will be improved in the future?

HOW are you going to implement these strategies into your business role? Who is going to assist you? When are you going to start and complete the above listed strategies? This is where the rubber meets the road—so be specific.
